Entrusting this task to specific students from our college in collaboration with the NSS Unit not only empowered them to engage directly with a critical social issue but also facilitated their holistic development through active participation in societal change. This activity aimed at creating awareness about child marriage underscores the importance of education and community engagement in tackling societal challenges. The focus on encouraging girls to attend the Child Marriage Awareness Camp at our institution on 22nd March 2023 also highlights a proactive strategy to educate and empower potential victims, offering them knowledge and support systems to resist such practices.
