NOTICE

GREEN CAMPUS INITIATIVES

We are happy to announce our new Green Campus Initiatives to make our college more environmentally friendly. As an educational institution, we understand the importance of caring for our environment and working towards a greener future.

We will be implementing several initiatives to reduce our carbon footprint, save resources, and create a sustainable campus environment. These initiatives include:

- 1. Waste Management:** Providing waste bins across campus and promoting proper waste disposal.
- 2. Energy Conservation:** Using energy-efficient technologies, encouraging the use of natural light, and promoting responsible energy use.
- 3. Green Campus Initiatives:** Plantation of Trees in collaboration with NSS, promoting No-Plastic Zone, Clean campus drive, creating and maintaining green areas on campus to improve biodiversity and provide a peaceful environment.
- 4. Water Conservation:** Using water-saving fixtures (i.e., putting off taps) and promoting water conservation practices, including rainwater harvesting.
- 5. Educational Programs:** Integrating sustainability by organizing seminar and promoting awareness campaigns to educate students and staff about environmental issues and sustainability. We will announce the schedule of activities time to time.

We encourage everyone in our college community to take part in these initiatives and help make our Green Campus program a success. Let us work together to create a more sustainable and eco-friendly campus for today and the future.
