## Suggestions/Recommendations Received Through the Feedback from Students

### For the Session 2021-22

The analysis of overall feedback of the students show that majority of students are satisfied with overall performance of the institution. The following areas in the feedback are indicative for improvement.

- Improvement in infrastructure and maintenance i.e., Cleaning of toilet, better Canteen and drinking water facility, designated cycle stand Common Room facility.
- More books in library and improvement in laboratory equipment.
- Basic Computer training course for students and more educational tour.
- More green campus initiatives.
- Frequent parent teacher meeting.

### ACTION TAKEN REPORT ON STUDENT FEEDBACK: 2021-22

In the academic session, feedback was obtained using manual mode form. Total 330 feedback was received from the students on teaching, learning etc. and 326 feedback was received from the students on academic performance and ambience. On the basis, of the feedback received, the following actions have been taken, keeping in mind the needs and interests of the stakeholders. The detailed analysis and suggestions were placed in the IQAC meeting dated 08.07.2022, for appraisal and suggestions of members and for further action.

The analysis of overall feedback of the students show that majority of students are satisfied with overall performance of the institution.

Some students suggested improvement in infrastructure and maintenance. In the post covid scenario, primarily sanitization of the entire college premisses has been taken-up that includes proper cleaning of toilet also. Basic services in the college including drinking water facility also has been considered to restore. In respect of identification of the location and arrangement for a designated cycle stand the matter has been considered to introduce. Similarly, provision for a Common Room facility with few equipment also will be arranged.

The vacant post of the librarian has been filled-up by Shri Anupta Jana, Librarian and revamping of the Central library is in progress. Measures has been take-up to monitor and upkeep laboratories by respective departments in the post covid scenario.

It has been decided to conduct a value-added course on basic computer knowledge and short course of hands-on training on ICT tools by the faculty members. In the post covid normalization phase, educational tour programme may be organized in line with the covid protocol adherence.

## Suggestions/Recommendations Received Through the Feedback from Teachers/Faculties

### For the Session 2021-22

The analysis of overall feedback shows that majority of the faculty members indicated the suitability of the syllabus and curriculum with specific concerns about certain limitations. The following areas in the feedback are indicative for improvement.

- Syllabus of few subjects needs to be up to date with focus on contemporary developments and insufficient to bridge the gap between industry standards and current global scenarios and academics.
- Some subject syllabus is not compatible and well distributed within the limited time frame of the semester timeline and difficult for slow learners.
- Sufficient reference books are not available.

### 2. ACTION TAKEN REPORT ON TEACHERS' FEEDBACK : 2021-22

**In the academic session, feedback was obtained through hardcopies. Total 32 feedback was received from the teachers.**

The detailed analysis and suggestions were placed in the IQAC meeting dated 08.07.2022, for appraisal and suggestions of members and for further action.

Based on the analysed report, the following points were discussed for actions to be taken:

It has been discussed and decided that to overcome the certain specific limitations of the syllabus, faculty members will be more focused to elaborate the programme outcome and course outcome to the students. Moreover, more industry focussed career counselling sessions will be arranged by the career counselling committee in the post covid scenario. Students will be more encouraged to participate in paper presentation, newspaper reading session, course-oriented wall magazine etc. for improved experiential learning. Remedial classes will be resumed by all departments for slow learners.

More e-Resources will be arranged for the students and faculty members to contribute more e-Resources as reference materials.

**Sub: Student and Faculty Feedback Analysis Report for the Academic Year 2021-22 by IQAC on Curriculum & Recommendations**

Respected Sir,

We are pleased to inform you that feedback conducted by IQAC on the present CBCS curriculum and syllabus was collected for all the programs offered by Shahid Matangini Hazra Govt. General Degree College for Women from students and faculty members in the Academic Year 2021-22 through google form (online) mode. Based on the analysis of the feedback so received, the following recommendations have been noted:

- The present UG CBCS Syllabus of humanities to include more field and project work to bridge the gap between industry standards.
- Some subject syllabus to be more precise keeping in mind the available six months duration of the semester.

In view of the above recommendations, we shall be obliged to receive necessary guidance and advisory for further improvisation in our offerings to our students within the ambit of the UG CBCS curriculum.

Thanking you,

Yours faithfully,

**Dr Bijoy Krishna Roy**
