Report of One-day workshop on “Application & Career Aspects of Geology”

On April 24th, 2019, the Department of Geology at Shahid Matangini Hazra Government College for Women organized a one-day workshop titled "Application & Career Aspects of Geology." The event aimed to provide participants with insights into the practical applications of geology and the various career opportunities within the field. Attendees engaged in informative sessions led by experts, gaining valuable knowledge on how geology can be applied in various industries and the skills required to pursue a career in this discipline. The workshop was well-received, offering practical guidance and enhancing participants' understanding of the dynamic nature of geology as a profession. Thalassemia and to get tested for thalassemia before marriage, to donate blood to save the life, to be sympathetic to the thalassemia patients etc.
