## Workshop on “Know Your Library”

*The Know Your Library program was organized by the central library on January 7, 2023, as part of the Students’ Week – 2023 celebrations. This initiative aimed to introduce students to the various resources and services offered by the library. The program typically included guided tours, workshops on information literacy, and other activities designed to help students make the most of the library’s resources. By participating in this program, students could enhance their understanding of the library’s crucial role in supporting their academic endeavors.*
